

CORRESPONDENCE.

CAPAC NEWS.

From the bridge.  
Wm. Cotting has moved on his farm in Wales.  
Charles Praker was home to spend Thanksgiving.

C. W. Simonds, of Pekin, N. Y., is visiting relatives in town.

A. D. Scott has removed his tailoring establishment from Coho & Son's building to the room next the postoffice.

Bernard Walker is home again not having made satisfactory terms regarding the expected situation in N. Y. state.

Our village was the scene of another wedding on Wednesday. A daughter of John Lang, our village blacksmith, having taken to herself a Lamb, "for better or worse", etc.

Minden Murmurings.

Dr. A. M. Johnson of Sand Beach and an old resident of Huron Co died last Wednesday and was buried on Saturday. His brother Dr. Johnson of Minden was in constant attendance from his first sickness and had the ablest physicians in council, but it was of no avail.

Captain J. C. Bontecou of the Mich State Temperance alliance gave us a rousing speech on the relation of the liquor traffic to the people. He held meetings at Port Sanilac, Crosswell and Lexington on Tuesday Wednesday and Thursday evenings of the same week.

The ten cent social at the rooms of Rev J. Bettis was a very profitable and interesting affair.

An appropriate Thanksgiving was held in the M. E. church on Thursday morning.

Mrs John Beneway is in Port Huron with her little girl who is receiving medical treatment.

Miss Minnie Mulvey who is attending school in Port Huron came home and spent Thanksgiving with her parents.

Minden will have a Christmas Arch and an oyster supper on Saturday evening before Christmas in McKays Hall.

The dedication of the Tyre and Ubley church took place last Sabbath morning and evening Rev J. M. Fuller of St Clair preached on both occasions very forcible sermons. A debt of two hundred dollars on each church was provided for and the people went home rejoicing.

Rev C. T. Allen of Detroit lectured in town this week. Senna.

Fargo Gleanings.

Our village is again caused to mourn, for death is among us. Samuel, son of Charles Way, aged 15 years, died of spinal fever and was buried yesterday. Elder Riley officiating. He was a good christian boy, beloved by his parents and all his associates. We will miss him, but he has gone to be another bright star in Heaven.

Cynthia Way is very sick and not expected to live.

Elder Riley is still holding meetings here with good effect.

O. Taylor has gone to the woods. His blacksmith shop is to rent, with tools complete, for \$1 per week.

F. A. Hill is getting a well dug on his lot which he has long needed. G. Smith is doing the work.

Our mill is running day and night. Sawing day time and grinding nights.

Our school is getting along nicely under the management of Miss E. Farr, teacher.

F. A. Hill is adding to his stock a good assortment of crockery and glassware, lamps, etc. Monoc.

EDITOR EXPOSITOR—Noticed an opening from the pen of a citizen about the Grain Market at your village. The condition is unfortunate for the best interests of the village and the farmers. But if the people believed the prayers of Anderson, the luring of a monopoly, their sanity was doubtful. The substantial truth is not now doubtful, but self evident, that the people along the line of the Road, by donations and rights of way, built the Road for those who manage and control it, to rob and monopolize.

A railroad is a curse or a benefit to substantial interests, just so far as it either gives fair rates and opportunities to all shippers, or plays into the hands of ringsters. Pooled capital is the order of the day, and the beginning is only self evident so far. An effort is now on foot to pool Ridgeway competition.

There is only one way left for the people and that is to secure their

tion that will compel rates that is fair to all shippers, by returning men to the legislature, (not stock holders in R. R.) whose known independence and abilities warrants a just and fair handling of such matters. 'Tis the highest duty of government to enact laws, and see that they are enforced, which will wholly prevent this wholesale robbery of the people. The people and your village is at the mercy of a ring and it is felt. You are told plain, help yourselves if you can: "We, the Ring will pay what we choose and no other person can buy and ship on our road unless he runs the risk of losing."

Corporations are soulless and legislatures ought to remember that fact when stitching up their greedy mouths.

A citizen who wishes your village prosperity.

PILES.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, particularly at night after getting warm in bed, is a very common attendant. Internal, External and itching piles yield at once to the application of Dr. Bosanko's pile remedy, which acts directly upon the parts affected, absorbing the tumors, adjusting the intestine, and relieving a permanent cure where all other remedies have failed. Do not delay until the drain on the system produces permanent disability, but try it and be cured. Price, 50 cents. Ask your druggist for it, and when you can not obtain it of him, we will send it, prepaid, on receipt of price. Address the Dr. Bosanko Medicine Co., Piquette, Ohio. Sold by F. A. Baker.

Are Your Children Peevish?

And sad eyed? Do they have abnormal appetites and crave food constantly? Beware of Worms. Very few children escape their ravages. No child can be happy or well while suffering with worms. They sap the very life by preventing the digestion and assimilation of food. There is a sure remedy. It is called Parmentier's Santonine Worm Expeller. They are perfectly harmless, but will quickly dissolve the worms and pass them off through the bowels. Buy no other. Price 25 cents per box. Sold by C. A. Wells & Co.

You can get a trial bottle of Dr. Bosanko's pile Remedy at F. A. Baker's drug store which will convince you that the regular 50 cent size will cure any case of Internal, External or Itching Piles, besides all unpleasant sensations, Sore Eruptions, Sores, Boils, Burns, Scalds, and for a general purpose ointment it has no equal. Call for a trial box at once.

The Greatest Pain Killer.

Yet found for Croup, Croup, Croup in child or adult. Neuralgia, Rheumatism, Sprains, Bruises, etc. is Hamilton's Jamaica Ginger Tonic and Pain Cure. Bount on with hot wet cloths it never fails to cure. For Dysentery, Indigestion, Sick headache, Constipation, diarrhoea, heartburn, sour stomach, etc., it is unequalled. Warranted to give relief. Used both internally and externally. Warranted to cure. Try it. Price 25 and 50 cents. Sold by C. A. Wells & Co.

What 10 Cents Will Do.

By calling at F. A. Baker's drug store, you can get a sample bottle of Dr. Bosanko's Cough and Lung Syrup which will relieve the most obstinate Cough or Cold, and show you what the regular 50 cent size will do. When troubled with Asthma, Bronchitis, Dry hacking Cough, Pains in the Chest, and all diseases of the Throat and Lungs, try a sample bottle of this medicine.
